Our Prayer to Śrīla Prabhupāda:

Dear Śrīla Prabhupāda! If you are at all pleased with this humble attempt by so many devotees around the world who have answered this call to delight you, we beg you to please petition to your Śrī Kṛṣṇa (and Śrī Caitanya), to remove the health problems which currently impede His dedicated servant His Holiness Kadamba Kanana Swami from serving the saṅkīrtana mission of Lord Caitanya in full capacity. We beg you to please quickly restore your servant's good health, so that he may continue serving Your Divine Grace for many years to come.
